Care Support Set[®] (Hospitalization set)

Rental Service

Matsunami general hospital provides a CS Set service to improve hygiene management and to reduce the laundry burden on patients' family .

What is a CS set?

This is daily rental provision of apparel & towels, disposable diaper pads and other supplies which may be needed during your stay in the hospital. We recommend patients apply for this CS service.

Benefits

- ◆ **Reduces the burden of preparing and supplying daily necessities during hospitalization.**
- ◆ **Provides clean and comfortable apparel and towels.**
- ◆ **Provides high quality disposable diaper pads.**

※All pictures and images listed herein are purpose to indicate the outline, and they might be slightly different from the actual products.
